

EDMONDS CROSSING

Connecting ferries, bus & rail

Preparer/Role	Education	Years Experience	Technical Expertise
Technical Preparers			
Jim Alexander, PE/ Geology and Soils; Groundwater	M.S., Civil Engineering B.S., Civil Engineering	5	Geotechnical engineering
Jennifer Arterburn, MTSC/ Editor	M.T.S.C, Technical and Scientific Communication B.S., English and Journalism	10	Technical editing; report production
Mark Assam, AICP/ Environmental Justice	B.S., Biology A.A., Biology Community Planning Certificate	13	Environmental justice
James C. Bard, SOPA/ Cultural Resources	Ph.D., Anthropology M.A., Anthropology B.A., Anthropology	19	Archaeology
Robert Bernstein, PE/ Off-Site Transportation	M.S., Civil Engineering	20	Traffic analysis
Ralph Boirum, PE/ Geology and Soils	M.S., Civil Engineering B.S., Civil Engineering	22	Geotechnical engineering
Gail S. Brooks Wetlands	B.S., Natural Resources	10	Natural resource ecology
Terri Burk/ Noise Analysis	B.S., Biology	2	Acoustical engineering
Catherine Conolly/ Vegetation, Fish, and Wildlife; Wetlands	M.S., Botany B.S., Botany and Education	10	Botany, ecology, environmental education, wildlife
James B. Cox/ Historic Preservation	M.S., History/Historic Preservation B.S., Anthropology	15	Historic preservation
Mark Ewbank, PE/ Waterways and Hydrological Systems; Water Quality	M.S., Civil/Environmental Engineering B.S., Civil Engineering	10	Environmental engineering
Lisa Fall/Land Use; Social; Relocation; Visual Quality	B.A., American Studies	7	Land use, social, relocation, visual quality
Farshad Farhang/Noise	M.B.A., Business Administration B.S., Electrical Engineering	17	Noise
Doug Gresham/ Surface Water Resources	M.S., Environmental Engineering B.S., Biology	10	Environmental studies
H.R. Hammond/ Transportation Analysis	M.S., Civil Engineering B.S., Civil Engineering	22	Transportation engineering

Preparer/Role	Education	Years Experience	Technical Expertise
Scott Hardman, PE/ Groundwater; Geology and Soils	M.S., Civil Engineering B.S., Civil Engineering	10	Geotechnical engineering
Michael Hodgins/ Economics	B.A., Economics	9	Economics
James Irish/ Visual Quality	M.L.A., Landscape Architecture B.A., Philosophy	11	Planning, landscape architecture
Mike Jenkins/ Groundwater	M.S., Hydrogeology B.A., Geology	6	Hydrogeology
Ken Lilly, Jr./ Waterways and Hydrological Systems	M.S., Atmospheric Science B.S., General Science	26	Meteorology, oceanography, maritime analysis
Keith MacDonald/ Senior Biologist	Ph.D., Oceanography B.S., Biology	25	Biological assessment
Peter Martin, PE/ On-Site Transportation	M.S., Civil Engineering B.S., Civil Engineering	25	Transportation
Marian Allen McDermott/ Hazardous Waste	B.S., Geology M.S., Geochemistry	9	Hazardous waste
Michelle Ramos/ Geology and Soils	B.S., Geological Sciences M.S., Geological Engineering	6	Geology and soils
Robert E. Swope, AICP/ EIS Task Manager	M.S., Urban Planning B.A., Political Science	27	Environmental and land use planning
Walter T. Trial, PhD/ Water Quality Review and Waterways Review	Ph.D., Civil Engineering M.S., Microbiology B.S., Bacteriology	21	Water quality, environmental studies
Nytasha Walters/ Social; Relocation	M.P.A., Public Administration	6	Environmental policy
Roger Whitaker/ Noise Analysis	B.S., Mechanical Engineering	6	Acoustical engineering
Randall P. Whitman/ Fisheries, Aquatic Habitat, Marine Biology	M.S., Fisheries Biology, Marine Biology	17	Fisheries biology
Wendy E. Williams/ Draft EIS Editor	M.A., History B.A., Liberal Arts	21	Technical writing, editing, document production
Mary Beth Yansura/ Air Quality	B.A., Chemistry	7	Air quality
Jenifer Young-Sadowski/ Land Use; Section 4(f) Evaluation	B.A., English Literature	10	Land use planning
FHWA/WSDOT Reviewers:			
Susan Powell Review and Guidance	B.S., Civil Engineering	30	WSDOT Environmental Specialist

Preparer/Role	Education	Years Experience	Technical Expertise
Marsha Tolon Review and Guidance	M.L.A., Landscape Architecture B.A., International Studies - Japan	15	WSDOT EIS Coordinator
Jose Miranda Review and Guidance	B.S., Civil Engineering	30	FHWA Environmental Program Manager
Sharon Love Review and Guidance	B.S., Civil Engineering	10	FHWA Transportation and Environmental Engineer
Larry Ross Review and Guidance	Masters in Environmental Studies B.S., Civil Engineering	27	WSDOT Environmental Project Manager
Elizabeth Healy			
Dave Leighow
